Supporting campaigns to end road danger and traffic harm

Hampshire
Motoring offences prosecuted at court

MoJ Criminal justice statistics (2015-2020)

Action Vision Zero Summary

Hampshire

Motoring offences prosecuted at court MoJ Criminal justice statistics (2015-2020)

Introduction

Action Vision Zero is committed to reducing road danger and traffic harm. This includes increasing the transparency and understanding of how the justice system holds drivers to account for putting others in danger. Here we summarise the court prosecutions and convictions for motoring offences in a police service area over the last five years (2015-2020), with a comparison to England and Wales (E&W). See below for:

- Table 1 Motoring Offences, Prosecutions and Convictions 2015-2020: Hampshire
- Table 2 Motoring Offences at Court, Bans 2015-2020: Hampshire
- Table 3 Motoring Offences at Court, Ban Durations 2020: Hampshire

Court prosecutions and convictions (2015-2020)

Total prosecutions fell by 44% to 10,787 and convictions fell by 42% to 9,935, compared to decreases of 20% and 17% in E&W

We are concerned that sober dangerous driving is rarely prosecuted and so have compared it with drink and drug driving below.

- Drink driving prosecutions fell by 42% to 809, compared to a 26% decrease in E&W
- Drug driving prosecutions rose by 3,008% to 404, compared to an 837% increase for E&W
- Dangerous driving prosecutions fell by 32% to 52, compared to an 11% increase in E&W
- Speeding prosecutions fell by 23% to 4,839, compared to a 7% decrease in E&W
- Careless driving prosecutions fell by 71% to 110, compared to a 35% decrease in E&W

Driving bans

We have included an analysis of driving bans given in the local police service area. With only 1% of those convicted at court of motoring offences in E&W going to prison, disqualifications are key to removing unsafe drivers from our roads.

But driving bans are mainly used where they are mandatory, e.g. drink/drug driving. Disqualifications are very rarely given to those convicted at court of speeding or careless driving, where they are optional. This is despite these cases being the more serious as most speeding and careless drivers are sanctioned out of court.

- 1,582 sentences (16%) for motoring offences resulted in a ban, compared to 13% E&W
- Sentences for drink/drug driving included 1,116 (96%) bans, all for a year or longer
- 68 (1.5)% sentences for speeding resulted in a ban, compared to 2% in E&W
- 5 (5%) sentences for careless driving included a ban, compared to 5% in E&W
- Bans given were 6 months or less for 97% of speeding and 60% of careless driving bans

Action Vision Zero calls

1. Dangerous driving and careless driving to be police priorities. This would result in more detections, as seen by drink and drug driving, which are already police priorities.
2. More unsafe unimpaired drivers to be banned. This should include those summoned to court for extreme speeding (too high for a Fixed Penalty Notice or National Driver Offender Retraining Scheme), and for durations similar to drink/drug driving. Likewise more of the serious cases of careless driving should result in more and longer bans.
